

DEALING WITH TITLE 5 AND LAYER CAKE SYSTEMS

Thursday, March 24, 2022 | 11AM -1PM | Webinar | 2 TCHs SE/SI

The Yankee On-Site Wastewater Association (YOWA) is pleased to present an educational webinar on Thursday, March 24th (11:00AM-1:00PM) in collaboration with the Massachusetts Alternative Septic System Training Center (MASSTC) on Title 5 Issues. This 2-hr webinar will feature two presentations, discussion and a live Q&A during which our audience may ask questions.

Two (2.0) TCHs will be available upon completion of a follow-up evaluation questionnaire. TCHs are available for MA soil evaluators, MA system inspectors, engineers, sanitarians, and health officials.
